Shinners Community based organization was founded in 1997 on the footing of supporting needy children from the local communities access basic age education and empowerment of the older guardians on support mechanism programmes...

Shinners works to achieve women, youth and children's integration in the society through economic empowerment, psycho social support and provision of education through support groups..

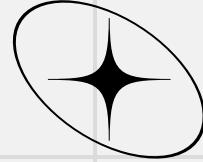

Given the change in mandate due to covid 19 pandemic and upsurge in teenage pregnancy, we expanding our scope into a community knowledge-based organisation focusing on action research, training, advocacy, dialogue.

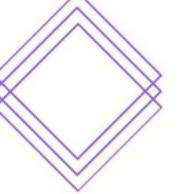

Shinners focuses on identifying agenda through community dialogue, sensitization on matters Sexual and gender based violence and gender equity.

We rely a mixed team of volunteers with long term expertise on psychology, gender and development and a passion for uplifting the livelihoods of the needy.

Shinners Centre runs an income-generating activity on poultry keeping, indigenous vegetable and jewellery making ran at their Margot farm that sits on an acre n quarter.

It is an organisation headed by women and works with local women within the communities as their key point persons and coordinators.

#SomethingBiggerThanYourself

Empowering The Girl Child

This campaign aims to raise awareness around menstrual health and the rising need to end period poverty. But this is also an opportunity to embrace womanhood. This year we aim to also support our young moms in the society.
